Planning Ahead

1. Let your vet know you are away and AM Boarding Kennels or our named vet may contact them should there be an emergency.
2. Be sure all pets are wearing their collars with identification.
3. If supplying food/treats, have extra available if you cannot return when expected.
4. If supplying medication, have extra available if you cannot return when expected.
5. Bring everything AM Boarding Kennels may need.
6. Put our contact details in your travel documents/phone so you can contact us if you are delayed.
7. Ensure your emergency contact knows that we have their number.
8. Ensure all vaccinations including kennel cough are up to date.
9. Please ensure your pet(s) has received a flea prevention treatment at least 3 days prior to arrival at our kennels.
10. It may be advisable to provide a small piece of clothing that has your smell on it if you are concerned about your pet(s) having separation anxiety.
11. If any fees are outstanding, please ensure these are paid either before or on collection.
